## The Light of Understanding

### Open-Ended Response Questions

1. In your own words, explain how the poem illustrates the concept of a moment of epiphany or realization.
2. How might the speaker's newfound perspective on life's mysteries benefit them in the future?
3. What do you think the poem teaches us about embracing uncertainty and finding clarity in the unknown?
4. Can you share a personal experience or example of a moment when you or someone you know had a significant realization that transformed their perspective?
