

Name _____

The Enigmatic Riddle of the Haunted Lighthouse

Open-Ended Response Answer Key

1. The four friends may have felt a mix of excitement and accomplishment when they uncovered the hidden room at the top of the lighthouse. They had spent hours solving riddles and following clues, and their hard work had paid off. They also might have felt a sense of wonder and curiosity about what they would find in the room.
2. Mia, Ethan, Sophia, and Liam possessed curiosity, determination, problem-solving skills, and teamwork. These qualities and skills were essential in deciphering the riddles and uncovering the secrets of the haunted lighthouse.
3. The legend of the Harborville Lighthouse keeper's disappearance had an enduring impact on the town. It fueled curiosity and fear, and it became a part of the town's folklore. The legend also deterred people from exploring the lighthouse, which helped protect the hidden treasure.
4. The four friends likely learned the importance of perseverance, teamwork, and the value of solving mysteries and uncovering secrets. They also learned that legends and myths may have more to them than meets the eye and that exploration and curiosity can lead to exciting discoveries.
