Name _____

Cracking the Code: Deciphering Common Tennis Lingo

Open-Ended Response Questions

1. Imagine you're a tennis player, and you have just hit an "ace" to win an important point. Describe how you would feel and the impact of the ace on the match.

2. Discuss the different types of spin used in tennis, such as topspin and backspin. How do these spins affect the ball's movement?

3. Describe a scenario where a "net cord" could change the outcome of a point in tennis. How might the unexpected bounce affect the player's strategy?

4. Reflect on a memorable tennis match you have watched or played. Explain the excitement and tension in the match, particularly during pivotal moments like "match point."
