## Unlocking Literary Devices in Pride and Prejudice

### Short Answer Key

1. An example of foreshadowing is Mr. Darcy's initial unfavorable impression of Elizabeth Bennet, which hints at their eventual romantic connection as they grow to understand each other better.
2. Jane Austen uses satire to criticize societal flaws by portraying characters like Mr. Collins and Lady Catherine de Bourgh, who embody the superficiality and absurdity of the social hierarchy.
3. Dialogue reveals Mr. Darcy's initial pride through his haughty manner and his eventual transformation as he expresses his love and humility to Elizabeth.
4. One recurring theme in "Pride and Prejudice" is the theme of love and marriage. This theme influences characters' actions and choices as they navigate the challenges and expectations of finding love and securing advantageous marriages.
5. Jane Austen employs imagery to vividly describe the English countryside, grand estates, and the characters themselves, allowing readers to immerse themselves in the world of the novel.
