Pawsitively Clean: Litter Training Your Feline Friend

Open-Ended Response Questions

1. Can you explain why it's important to avoid punishing your cat for accidents outside the litter box, and what alternative approach should be used instead?
2. Besides low sides and a quiet location, what are some other factors to consider when choosing a suitable spot for the litter box?
3. How might you use positive reinforcement to encourage your cat to use the litter box, and what are some examples of positive reinforcement techniques?
4. What are some signs that indicate your cat is uncomfortable with their litter box setup, and how can you address these issues?
