Pawsitively Clean: Litter Training Your Feline Friend

Short Answer Key

1. You should choose a quiet, easily accessible location for the litter box.
2. You can introduce your cat to the litter box by gently placing them inside and allowing them to explore.
3. If accidents occur outside the litter box, you should clean them up promptly and avoid punishing your cat.
4. One common mistake to avoid when litter training your cat is punishing your cat for accidents.
5. Consistency is important in maintaining good litter box habits because cats prefer clean litter boxes and may avoid using them if they become dirty or unpleasant.
