## The Little Star's Journey

### Short Answer Key

1. Stella felt sad in the beginning because her light was not as bright as the other stars, and she thought it made her less special.
2. Comet's special task was to bring wishes from the children of the world to the stars. Stella wanted to join him on his journey because she wanted to help and be a part of something meaningful.
3. Stella's light began to shine brighter as she collected wishes from children. She realized that her uniqueness made her special and that her light had the power to bring joy to others.
4. When Stella shared the wishes with the group of stars that were not shining brightly, they began to shine brighter too, filling the sky with radiant light.
5. Stella learned that it's not the brightness of her light but the love and kindness in her heart that truly matter. She discovered the importance of embracing her uniqueness and using it to bring happiness to others.
