## Attack of the Living Homework

### Short Answer Questions Answers

1. Timmy's homework came to life when his math worksheet started hopping, his science notes sprouted legs, his history textbook began doing jumping jacks, and his English essay turned into a chatty parrot.
2. Timmy promised to study his history textbook, solve the math problems, organize his science project with the notes' assistance, and use proper grammar in his essay.
3. The living English essay helped Timmy improve his essay by offering guidance on grammar, punctuation, and vocabulary.
4. Timmy changed his approach to homework by becoming a more responsible student and tackling his assignments promptly.
5. The living homework symbolizes the idea that responsibilities and tasks can come to life when we take them seriously and approach them with determination.
