

Name _____

What Does a Llama Look Like?

Short Answer Key

1. A llama's split upper lip helps it grab and chew plants more easily.
2. Llamas have padded feet to help them climb rocky areas safely.
3. Llama wool is thick and warm, making it great for cold weather protection.
4. Llamas are used as pack animals because they can carry heavy loads up to 100 pounds.
5. Llama fur is thick and woolly, which keeps them warm in cold temperatures.
