

Name _____

Riders of the Lost Canyon

Short Answer Key

1. Some challenges the trio faced included navigating treacherous terrain, crossing raging rivers, and outsmarting cunning coyotes.
2. Each member of the trio contributed to the success of their adventure with their unique strengths: Sam's quick thinking, Ella's resourcefulness, and Jake's unwavering courage.
3. The journey itself was considered a treasure because it strengthened their friendship and provided them with unforgettable experiences and memories.
4. Sam, Ella, and Jake demonstrated values such as generosity and selflessness when they decided to use the treasure to help those in need.
5. If the trio had given up on their quest, they would have missed out on the hidden treasure and the valuable life lessons they learned. Their bond might not have grown as strong, and they would have regretted not completing their adventure.
