

Name _____

Riders of the Lost Canyon

Open-Ended Response Answer Key

1. One specific moment in the story where the trio had to rely on their skills and teamwork was when they had to cross a raging river. They worked together to build a makeshift raft and safely navigate the turbulent waters.
2. The hidden treasure in the story symbolizes the rewards of perseverance, friendship, and the importance of pursuing one's dreams. It represents the idea that the journey itself can be more valuable than the destination.
3. The trio's determination and perseverance helped them in their quest by allowing them to overcome obstacles and stay focused on their goal. Their unwavering commitment to finding the treasure kept them going even when faced with challenges.
4. The trio's adventure left a lasting legacy in the Wild West by inspiring others to embark on their own quests and by demonstrating the power of friendship, determination, and selflessness in the face of adversity. Their decision to use the treasure to help those in need also had a positive impact on the community, creating a legacy of generosity and kindness.
