

Name _____

The Magic Mirror

Open Ended Questions Answers

1. Mr. Whimsy's character adds an element of mystique and humor to the story. His sly smile and ownership of The Magic Mirror create an air of mystery around the shop. His willingness to let customers make wishes, even when he knows the mirror's humorous tendencies, adds to the comedic aspect of the narrative.
2. Oliver's wishes evolve from specific desires for wealth, love, and fame to broader aspirations for happiness. This evolution reflects the idea that human desires can change when faced with unexpected outcomes and challenges.
3. The theme of happiness is central to the story, as Oliver's journey from frustration to contentment illustrates that unconventional paths and unexpected outcomes can lead to joy. His ability to find humor and happiness in the mirror's interpretations showcases the idea that embracing life's quirks can lead to a fulfilling and joyful existence.
4. The legend of The Magic Mirror conveys the message that the pursuit of one's deepest desires may not always result in the expected outcome. However, it can still lead to meaningful experiences and personal growth. The story emphasizes the importance of flexibility, resilience, and finding joy in unexpected places.
