

Name _____

The Augmented Adventure: A Magical App

Open-Ended Response Questions

1. How did the AR Playground app enhance the friends' learning experiences while they had fun?
2. Explain the importance of teamwork in the adventures of Emma, Max, Ava, and Jake while using the augmented reality app.
3. If you had access to the AR Playground app, describe an adventure or challenge you would like to experience in your own town. What would you hope to discover or learn?
4. Reflect on the story's message that "the real magic was in the power of friendship and the joy of exploration." How does this message apply to your own life or experiences?
