Name _____

Time-Traveling Adventures on the Magical School Bus

Open-Ended Response Questions

1. If you could go on a time-traveling adventure like the class in the story, which historical period would you like to visit, and why?

2. How would you use the knowledge you gained from a time-traveling adventure to help your present-day life and community?

3. Why do you think the class in the story needed to work together and be responsible during their time-traveling adventures?

4. Imagine you accidentally changed something in the past during a time-traveling adventure. How would you fix it and ensure history remained unchanged?
