## René Magritte: The Surreal World of Mystery and Imagination

### Open-Ended Response Questions

1. Imagine you are viewing René Magritte's painting "The Treachery of Images" in a museum. Describe your initial thoughts and feelings upon seeing the artwork, and discuss the message or concept it conveys to you.
2. Analyze the role of ambiguity and mystery in René Magritte's art. How does his ability to create uncertainty and curiosity contribute to the Surrealist movement's goals?
3. Explore the symbolism of everyday objects in Magritte's art. How does he transform ordinary items into elements of mystery and imagination, challenging our understanding of reality?
4. Reflect on how René Magritte's art continues to influence contemporary artists and the ways in which his legacy lives on in the world of modern art.
