

Name _____

Street Heat: The Rise of T.J. Malone

Open-Ended Response Questions

1. T.J. earns a reputation in his neighborhood by being resourceful and finding ways to make money. He is known as the go-to kid because he can get things done efficiently and effectively, whether it's running errands or fixing electronics for resale. His resourcefulness sets him apart and makes him valuable in his community.
2. The abandoned underground club undergoes a transformation into "Street Heat" as T.J. and his crew clean, renovate, and turn it into the hottest spot in Brooklyn. It becomes a hub for young talents, fostering creativity and providing a platform for artists to showcase their skills. "Street Heat" signifies their ambition and the power of community in pursuing their dreams.
3. One specific challenge T.J. and his crew face as "Street Heat" becomes popular is dealing with rival club owners and neighborhood gangs who want to control their territory and profit from their success. This challenge tests their ability to protect their turf while maintaining the creative spirit of their club.
4. Rival club owners and neighborhood gangs impact T.J. and his crew's operations by posing threats and challenges to their business. They must navigate these conflicts while striving to keep "Street Heat" a safe and vibrant space for artists and performers.
5. T.J. and his friends exhibit values such as resourcefulness, creativity, determination, and loyalty throughout the story. They are resourceful in finding opportunities, creative in their problem-solving, determined to succeed, and loyal to each other as they face challenges together. These qualities contribute to their resilience and success in the urban jungle.
