Marching Through Time

Open-Ended Response Answer Key

1. Songs from history can be adapted by changing the lyrics to fit new themes while keeping the original tune.
2. Happy Birthday is a song that has been passed down and remains important because it is used to celebrate special moments.
3. Music helps children learn because it is fun, engaging, and makes it easier to remember important skills.
4. I would rewrite the song to teach about space, with the ants marching from planet to planet instead of through the rain.
