## Agnes Martin: The Harmony of Abstraction

### Short Answer Questions

1. How did Agnes Martin's upbringing in the Canadian prairies influence her artistic sensibilities and later find expression in her art?
2. Describe the significance of the grid in Agnes Martin's art, and how did she believe it represented order and serenity?
3. Agnes Martin often used subtle color palettes in her paintings. How did these muted colors contribute to the sense of tranquility and contemplation in her work?
4. What was the meditative aspect of Agnes Martin's artistic process, and how did it reflect in her minimalist compositions?
5. In Agnes Martin's "With My Back to the World" series, what does the title suggest, and how does the artwork itself reflect this idea of turning inward and seeking inner calm?
