Exploring the Marvelous World of the Internet

Open-Ended Response Questions

1. Imagine you are explaining the Internet to a friend who has never heard of it before. How would you describe it, and why is it essential in our lives?
2. Think about a time when you used the Internet for a specific purpose, like researching a school project or watching a video. Describe what you did, and how the Internet helped you achieve your goal.
3. Do you think the Internet has more positive or negative effects on our lives? Explain your opinion with examples.
4. Imagine a world without the Internet. How would your daily life be different? List three activities or tasks that would be affected.
