

Name _____

The Merry Tale of the Mary Rose: A Tudor Warship's Resurfacing Adventure

Short Answer Key

1. The reigning monarch when the Mary Rose was launched was King Henry VIII.
2. The Mary Rose's sinking during the battle with the French fleet was attributed to her leaning too far to one side due to the weight of her cannons.
3. The discovery of the Mary Rose changed maritime history by providing valuable insights into Tudor shipbuilding and naval warfare.
4. Some of the artifacts that can be seen at the Mary Rose Museum include cannonballs, combs, and the skeletons of crew members.
5. The Mary Rose's story is considered a testament to adventure and exploration because it highlights the curiosity and determination of those involved in her discovery and preservation.
