## Stellar Dreams: The Astral Odyssey of Robert Maximus

### Short Answer Key

1. Robert felt excited and grateful when he received the invitation to join NASA's astronaut program.
2. Some of the challenges Robert faced during his mission to Mars included harsh conditions, limited resources, and the need to adapt to a new environment.
3. Robert is motivated to inspire the next generation because he wants to share his passion for space and encourage young minds to pursue careers in space exploration.
4. Robert's experiences in space likely gave him a unique perspective on the fragility of Earth and the vastness of the universe, leading to a deeper appreciation for our planet and a sense of wonder about the cosmos.
