Name _____

Satellites and Weather Balloons: What's Happening in the Sky?

Open-Ended Response Questions

1. Imagine you could ride a weather balloon into the sky. What would you want to learn or see?

2. Why is it useful to know if a big storm is coming ahead of time?

3. What do you think would happen if we didn't have satellites to watch the weather?

4. If you were a scientist, would you rather work with satellites or weather balloons? Why?
