

Name _____

Satellites and Weather Balloons: What's Happening in the Sky?

Open-Ended Response Answer Key

1. I would want to see how clouds look from up high and how the air changes.
2. Because people can prepare by getting food, finding shelter, or canceling events.
3. We might be surprised by big storms and not have enough time to get ready.
4. I would choose satellites because I think space is exciting and I want to see Earth from above.
