## Why Is It Raining on One Side of Town but Sunny on the Other?

### Open-Ended Response Questions

1. Have you ever seen different weather happening in nearby places? What did you notice?
2. Why do you think it's important to understand local weather changes?
3. If you were a weather scientist, how would you explain scattered rain to kids?
4. How might changing weather in small areas affect daily life (like driving or going outside)?
