## Exploring the Marvels of the Metropolitan Museum of Art

### Open-Ended Response Questions

1. Imagine you are standing in front of "Starry Night" by Vincent van Gogh at The Met. Describe your thoughts and emotions as you admire this iconic painting.
2. Research and write about a specific artifact or artwork found in The Met's Egyptian galleries. Explain its historical significance and what it reveals about ancient Egypt.
3. Discuss the role of museums like The Met in preserving and interpreting art from diverse cultures and time periods. Provide examples of how museums contribute to cultural understanding.
4. If you could explore one specific gallery or department within The Met, which one would it be, and why? What would you hope to learn or discover there?
