

Name _____

The Mystery of the Midnight Circus

Short Answer Key

1. Max saw a glimmer of lights and heard the faint sound of circus music from his bedroom window. He found it intriguing because it was the appearance of the legendary Midnight Circus, which was rumored to hold the key to a hidden treasure in his town.
2. The Midnight Circus was a legendary and elusive event that was said to appear only once every generation. Max and his friends decided to investigate it because they believed it held clues to a hidden treasure and their town's history.
3. Max and his friends found a collection of artifacts, including an old journal detailing the history of Willowbrook and the treasure's location. It revealed that the treasure of Willowbrook was not material wealth but the unity and history of their town.
4. Max and his friends decided to keep the existence of the Midnight Circus a secret to preserve its magic and allow it to reappear for future generations, ensuring that Willowbrook's heritage would continue to be celebrated.
5. At the end of the story, Max carried home the knowledge that he had uncovered the legacy of Willowbrook and the enduring magic of the Midnight Circus. He considered this knowledge to be far more valuable than material wealth.
