## The Haunting on Midnight Highway

### Open-Ended Response Questions

1. Describe the atmosphere inside the car when the friends' headlights went out on Midnight Highway.
2. Why do you think the friends chose to follow the spectral path to the abandoned house instead of staying in the car?
3. How would you describe the eerie whispers of the ghostly figures outside the car, and what effect do they have on the friends?
4. What do you think the story is trying to convey about the unknown and the supernatural?
