

Name _____

The Mighty Lion

Open-Ended Response Answer Key

1. Lions use teamwork when hunting and protecting their pride, working together for survival.
2. Lions might be called "King of the Jungle" because of their strength and loud roar, which makes them seem powerful.
3. Losing lions would disrupt the balance of nature, as they help control prey populations.
4. Lions teach us that cooperation helps achieve goals, like hunting or protecting others.
