

Name _____

Minecraft: Building Blocks of Creativity

Open-Ended Response Questions

1. If you were to introduce Minecraft to someone who has never played it, how would you describe the game's appeal and what players can expect to do in the Minecraft world?
2. Reflect on the role of creativity in Minecraft and share a personal Minecraft project or creation that you are proud of. Explain what inspired you and how you brought your vision to life.
3. Consider the future of Minecraft. What new features, updates, or expansions would you like to see in the game, and how could they enhance the Minecraft experience for players?
4. Imagine you are a teacher using Minecraft as an educational tool. Describe a lesson plan or activity that utilizes the game's features to teach a specific subject, and explain its potential benefits for students.
