## The Secret Underground World of the Minnies

### Short Answer Key

1. Sarah promised to keep the Minnies' underground world a secret from humans.
2. Answers may vary. Example: Sarah learned how to build a tiny raft to navigate miniature streams.
3. Sarah helped the Minnies by gathering dewdrops and building a tiny waterwheel to solve their water shortage, which was important for their survival.
4. Answers may vary but should include details such as tiny houses made of acorn caps, gardens with vibrant flowers, and a marketplace for trading.
5. Answers may vary, but students should mention how Sarah felt happy, fulfilled, or sad to leave her friends in the underground world.
