

Name _____

The Unconventional Talents of the Misfit Marvels

Open-Ended Response Answer Key

1. The Misfit Marvels might have initially felt uncertain or worried about how their unique talents would be received, but they likely felt excited about the opportunity to showcase their skills and make a statement.
2. Answers may vary but could include talents like singing, dancing, comedy, magic tricks, or any other unique skill or passion.
3. The Misfit Marvels' talent show act changed the way they were perceived by showing the school that being different and embracing one's unique talents was something to be celebrated, not something to be looked down upon.
4. The Misfit Marvels' story might inspire other students to explore their own unique talents, not be afraid to express themselves, and understand that being different is what makes each person special.
