## Mixed Emotions

### Open-Ended Response Answer Key

1. Acceptable answers might include: "Yes, because they could have avoided a mess," or "No, because they learned an important lesson about responsibility."
2. Responses might include: "The story would have been less exciting, and they may not have learned about making responsible choices."
3. Answers could include: "It teaches us that while curiosity is good, we need to recognize when things get out of hand and take action."
4. Responses may vary, such as: "Yes, I once tried something new that turned out to be frustrating, but I learned from the experience."
