

Name _____

MoMA: A Journey into Modern Art's Vibrant Tapestry

Short Answer Key

1. The MoMA was founded in 1929 with the mission of showcasing and celebrating modern art, inspiring, and educating the public about the transformative power of contemporary artistic expression.
2. The Sculpture Garden in the MoMA provides a serene outdoor space where sculptures by artists like Alexander Calder and Pablo Picasso are displayed against a backdrop of greenery and cityscape.
3. The MoMA actively engages with contemporary art beyond its collection through research, education, and exhibition programs that inspire visitors and artists alike.
4. Answers may vary, but a student might describe an artist like Jackson Pollock, known for his abstract expressionist style characterized by splattered paint and dynamic compositions.
5. It is important for visitors to plan their visit to the MoMA in advance to make the most of their time and to check for information on special exhibitions or events.
