

Name _____

Monarchy: The Rule of Kings and Queens

Open-Ended Response Answer Key

1. The advantages and disadvantages of monarchies in modern society can vary depending on the specific circumstances of each country. Some monarchies have adapted by reducing the powers of the monarch and introducing democratic elements, such as constitutional monarchies.
2. In a scenario where a monarch becomes tyrannical, the lack of accountability could result in the suppression of dissent, restriction of civil liberties, and disregard for the rights of citizens.
3. Monarchy and democracy can coexist in a government system known as a constitutional monarchy. In such systems, the monarch serves as a ceremonial figurehead while elected representatives handle governance. The benefits include preserving tradition and providing a sense of continuity, but challenges include defining the roles and powers of the monarch and elected officials.
4. Figurehead monarchs can promote national unity and identity by participating in cultural and national celebrations, representing the state on the international stage, and symbolizing the nation's history and values. Their presence can foster a sense of belonging and pride among citizens.
