## The Mystery of the Moonlit Mansion

### Short Answer Questions Answers

1. The bright beam of moonlight shining through one of its windows made the Moonlit Mansion look eerie and mysterious.
2. They found a room filled with old, creepy-looking dolls that seemed to watch their every move.
3. The moonlight beam was simply a reflection from magical moonstone crystals they found in a hidden room.
4. Tommy, Lucy, and Jake discovered a room filled with glowing moonstone crystals in the hidden room.
5. Answers may vary, but they likely felt excited and proud of their teamwork and adventure.
