## The Mystery of the Moonlit Mansion

### Open Ended Questions Answers

1. Answers may vary, but students can speculate that the mansion's name came from the bright moonlight beam that shone through one of its windows.
2. Answers may vary, but students can describe a humorous or imaginative story made up by Tommy, Lucy, and Jake about the mansion's mysterious residents or treasures.
3. The room with the creepy dolls added a sense of suspense and mystery to the story, making it an important element in the adventure.
4. Possible lessons could include the importance of curiosity, teamwork, and the idea that things are not always as they seem.
