Name _____

The Moorland Setting of Wuthering Heights

Open-Ended Questions

1. In what ways do the moors serve as more than just a setting in Wuthering Heights? Explain using examples from the passage.

2. How do the moors help reveal the relationship between Heathcliff and Catherine?

3. How might the story be different if the moors were replaced with a city setting?

4. Why do you think Emily Brontë chose the moors as the primary setting for Wuthering Heights?
