## Why do Some People Eat Fast Food More Often than Others?

### Short Answer

1. Give an example of how busy lifestyles can lead people to choose fast food.
2. Explain why affordability is a factor that attracts individuals or families to fast food.
3. Describe the impact of accessibility on people's choices when it comes to fast food.
4. Share a personal experience of a craving that influenced your decision to eat fast food.
5. Provide an example of a fast food marketing or advertising strategy that you found particularly effective.
