

Name _____

Musical Adventure

I wandered through the darkness, seeking light,
With every step, I found my way,
Dreams that glittered like diamonds in the sky,
A world of pure imagination,
I wanted to see what I could be,
Unbreakable, unshakeable, unstoppable,
I'm on top of the world,
Riding the high of a lifetime,
I'm a shooting star leaping through the sky,
With a taste of your lips, I'm on a ride,
Life is a highway, I wanna ride it all night long,
I'll spread my wings and I'll learn how to fly,
No one can stop me now.
The moon and stars above, they told a tale,
Of love and hope that would never fail,
We're all stars now, in the dope show,
We're beautiful like diamonds in the sky,
We'll make it through, we'll find our way,
It's a beautiful day, don't let it get away.
