## Musical March

### Open-Ended Response Answer Key

1. Music makes learning fun and interactive. Songs can help with memory and make learning feel like play.
2. The Wheels on the Bus teaches about different actions through rhythm and repetition, making it easy for kids to learn.
3. I would add "ten by ten, the little one stops to count to ten" to reinforce counting skills.
4. Songs like The Ants Go Marching stay popular because they are fun, easy to remember, and help children learn through music and movement.
