## Harmony Revived: The Musical Rebellion

### Short Answer Key

1. Dr. Harmon bans music and dance because he believes they "distract from productivity."
2. The rebel group is called "The Harmonics."
3. The Harmonics inspire more citizens to join their cause through their "surprise performances in the city square," which showcase the power and beauty of music.
4. The event that becomes a symbol of hope and defiance in the story is "the massive secret concert organized by the Harmonics."
