

Name _____

The Mysterious Benefactor

Short Answer Key

1. Some people suspected ulterior motives because the donor chose to remain anonymous, which raised questions about their true intentions.
2. The hospital staff received better resources, and the community felt a renewed sense of pride in their local hospital.
3. Sarah investigated to uncover the donor's true identity and motives. She discovered that the Secret Samaritan was a retiree named Mr. Thomas, motivated by a desire to repay the hospital for saving his life, without seeking recognition.
4. Mr. Thomas's true identity and selfless motives brought tears of gratitude and touched the hearts of the hospital staff and the community, reinforcing the belief in kindness and generosity.
