

Name _____

Mystery of the Titanic

Open-Ended Questions Answer Key

1. The Titanic is still famous because of its size, luxury, and the tragic story of its sinking.
2. I would feel excited to be on such a grand ship but terrified when the iceberg struck.
3. Requiring more lifeboats was the most important change because it could save many lives.
4. It's unlikely because we have better technology and safety rules, but accidents can still happen.
