

Name _____

Nanny in Disguise

Open-Ended Response Answer Key

1. Jerry likely accepted the job as a nanny because he needed money and saw it as an opportunity to earn income. His willingness to disguise himself as a woman shows his determination to secure the job and make ends meet.
2. Over time, Jerry's role as a nanny evolved from initially pretending to be a woman to genuinely caring for the Richington children. He adapted to the challenges by maintaining order, dealing with the children's quirks, and embracing the chaos with a sense of humor.
3. The Richingtons likely decided to keep Jerry as their nanny because they appreciated his dedication to their family and saw that he genuinely cared for their children. This decision reveals that the Richingtons value genuine connections and the well-being of their children more than appearances.
4. Jerry may have learned that unconventional families can be filled with love and laughter, even if they have quirks and eccentricities. This experience might have shaped his outlook by teaching him the importance of embracing life's unexpected adventures and valuing genuine connections with others.
