## A Tribute to Nature's Fury

### Short Answer Key

1. The natural disaster described in the poem is a volcano eruption, which spews ash and lava into the air.
2. The heroes in the poem fought the flames and worked to save the day during the disaster.
3. The poem conveys the idea that people can recover from tragedy by coming together with unity and strength, rebuilding, and moving forward.
4. The poem suggests that unity and strength are important because they enable people to face challenges and overcome adversity together.
5. Responses may vary depending on perspective.
