## Navigating Challenges and Ethical Dilemmas: The World of NGOs

### Short Answer

1. Explain why balancing priorities is challenging for NGOs and provide an example.
2. Describe an ethical dilemma that an NGO might face when deciding whether to accept funding from a corporation known for environmental harm.
3. Why is maintaining transparency and accountability important for NGOs, and how can they ensure it?
4. How can NGOs navigate the ethical dilemma of accepting funding from a government agency with conflicting policies while upholding their mission?
5. Share a situation in which an NGO's cultural sensitivity positively impacted its work in a diverse community.
