## Navigating Challenges and Ethical Dilemmas: The World of NGOs

### Open-Ended Response Questions

1. In your opinion, which of the challenges faced by NGOs do you think is the most significant, and why? Provide reasons to support your answer.
2. Imagine you are a member of an NGO's ethics committee. Describe a process for evaluating and making decisions on ethical dilemmas that the organization may encounter.
3. Research and identify an example of an NGO that faced an ethical dilemma related to funding. Describe the dilemma, the decision they made, and the impact on their work and reputation.
4. Discuss the strategies NGOs can employ to ensure the security and safety of their staff and volunteers in conflict zones or politically unstable areas.
