

Name _____

Navigating Directions: When in Doubt, Ask!

Short Answer

1. Give an example of a situation where asking questions can help you avoid making mistakes.
2. Explain why it's important to use polite language when asking questions.
3. How did Vincent van Gogh's willingness to ask questions and learn from others contribute to his success as an artist?
4. Provide a brief explanation of what listening actively means when asking questions.
5. Describe a scenario in your life where you recently asked a question to seek clarity or understanding.
