## The Great Neighborly Challenge

### Open-Ended Response Answer Key

1. Answers will vary, but students may enjoy challenges related to their interests, such as a sports competition, a science fair, or an art showcase.
2. Students may describe moments of excitement, teamwork, or clever solutions during the scavenger hunt, such as finding a hidden clue or discovering an unexpected treasure.
3. Possible challenge ideas could include a community talent show, a neighborhood cleanup event, a creative art project, or a storytelling competition.
4. Students may discuss how community events like the Great Neighborly Challenge promote unity, encourage positive interactions, and create lasting memories that enhance the overall quality of life in a neighborhood or town.
