## Never Give Up

### Short Answer Key

1. The pigeon believes that if he keeps trying, he might change the answer.
2. He learns that even though he can't always get what he wants, he can find new things to be excited about.
3. He starts off hopeful, becomes frustrated, feels disappointed, and then finds a new goal.
4. He quickly moves on because he always wants to chase after something exciting.
5. It teaches that persistence is important, but sometimes we have to accept a "no" and look for new opportunities.
